

I have reviewed your brochure on Year-End Tax Savings and:

- I would like to speak with someone who can provide additional information.
- I would like to receive information on other charitable tax planning options.

## 2015 YEAR-END TAX SAVINGS CHECKLIST

### CHARITABLE CONTRIBUTIONS

Give before the end of the year and reduce your income taxes. Review your gifts to date to ensure you have given to the causes important to you and in the amounts you intend. Now is also a good time to make sure you have proper receipts and documentation.

### FLEXIBLE SPENDING ACCOUNTS

If you have contributed to a Flexible Spending Account, make sure you have used all the money in the account. Now might be the time to get that eye exam or other medical procedure you have been delaying.

### MORTGAGE INTEREST

You can pay your January mortgage payment early and add to your mortgage deduction this year. Just check with your accountant on how to do this, especially since the number you report might differ from what your lender sends on Form 1098.

### STATE AND LOCAL TAXES

Call your accountant now to ask what state and local taxes may be paid in 2015 that will reduce your federal income taxes for the same year. Alternatively, if delaying payment may help you, determine the best strategy.

### INCOME TAX WITHHOLDING

After calculating your taxes for 2015, work with your accountant to see if you should adjust the withholding on your employer's W-2 Form.

### STAY UP-TO-DATE

Check our website and subscribe to our newsletter, which will give you additional tips and ideas, especially if Congress passes new laws at the end of the year that will affect your taxes.

### CHARITABLE GIFT ANNUITY

End the year with a tax deduction and start the next one with a check back to you every three months for life. Payments are fixed and offer capital gains and estate tax savings.
